STATEMENT:
I firmly believe that South Anchorage is the best place to live and I want to keep it that way. As a father and grandfather, I want to ensure that we leave a prosperous and growing Alaska for the generations to come. After six wonderful years of retirement, I can no longer stand by enjoying life and expecting things to get better. What South Anchorage needs right now is a proven leader in the State House.

My Top Priorities:
Tough on crime to ensure safe neighborhoods
Hold every level of government accountable by instituting a spending cap
Oppose federal overreach that is strangling resource development
Cut red tape to support small businesses and make Alaska competitive
Improve our schools to set our kids on a path to academic success

With your support - and vote - I’ll work hard to make sure we have a strong and effective voice in Juneau.
